

JBC '98 ROCKS [Return Of the Centennial Klas]. . . '08, Here Comes '98!

Take part in the grandest Homecoming of Bosconian Alumni!

This year, the Centennial Batch takes charge! Batch '98 ma-o na jud ni!

Let's face it, our footprints of success will always lead us back to that green and white edifice at the heart of John Bosco District. One utters "unsa na kaha ang itsura sa Bosco?" and the men and women who once reigned its grounds and represented each fraternity of saints? Folks, let's all find out this December.

It will be a perfect setting for class reunions. . . and more. This year's Homecoming tagged as "JBC '98 ROCKS Return Of the Centennial Klas" suggests the arduous preparations behind fun events and events w/c matters, making this year's homecoming really worth coming home.

On one night, we will pay tribute to very special teachers, the batch's modest way of thanking our Alma Mater, the institution and the faculty w/c pillars it. An adopted community of JBC will benefit from free Dental, Legal and Medical services, all in the spirit of Lasallian goodwill. And then it's all party, big time!

There is no turning back from turning back. See y'all down memory lane! Dec 28-30.

[Keep y'all posted for updates]
