

Ophelia Fugoso now a De La Salle Brother

From Lasallian.ph :

The Institute Letters of Affiliation were handed to Ms. Ophelia Fugoso 9 February 2009 on the occasion of De La Salle John Bosco College's commemoration of its second year as a District school and on the Feast of St. Br. Miguel Febres Cordero. Brothers from Mindanao and Manila, including Feny Alburo AFSC, attended the ceremony. On hand to witness the event was Ophel's family as well as students, faculty and staff of DLSJBC.

Ms. Ophel has been working with Brothers since 1969 when she first taught at Andres Soriano Memorial School. Br. Thomas Cannon transferred in her in 1976 to Jose Soriano Learning Center and then to John Bosco in 1982 where she has since been. Her involvement with us deepened further when she was asked to supervise a number of schools in the Mindanao area. She was appointed Superintendent of Supervised Schools in 2005. She has been a member of the Lasallian Partners Council since 2003 and has been effectively bringing in the Mindanao perspective into discussions concerning Lasallian Family Formation.
